REPORT

Cyber Crime

A Webinar on 'Cyber Crime' by Mr. Jigar Joshi, Cyber Crime Expert was organized by the Mathematics & I.T Club our college on 24th October, 2020. The webinar was immensely helpful to all the participants as it focused on the protection of all electronic devices from cyber-attacks on business emails, websites and applications, internet banking and digital wallets and debit/credit cards and cyber laws and redressal. The main objective of the webinar was to urge our students and audiences to be aware about safeguarding of personal data and follow the privacy tips with which one can prevent the cyber-crime. We are confident that our students could utilize the given information by the resource person and ensure that they could avoid any kind of cyberattack on the usage of their electronic device. At the same time, the students learnt about the career opportunities that are also available with the cyber-crime cell.

The webinar was attended by 39 undergraduate students.
