I QUIT TOBACCO AND AIDS AWARENESS

(26th September, 2017)

The National Service Scheme Unit of Ghanshyamdas Jalan Degree College of Science, Commerce & Arts, Malad had organised a seminar on I Quit Tobacco and Aids Awareness on 26th September, 2017. Mr. Darsh Chitalia, Programme Officer (PO) of NSS and Ms. Shivnetra Rampalli, NSS Members organized the seminar for all the students and Staff of Degree College. The programme was supervised by our Principal Dr. Sunanda Narayan Bhat. In all about 58 students and NSS volunteers and 10 Faculty members participated in this seminar.

The program of "I Quit Tobacco" started at 11:30 a.m. sharp in 4th floor class room. Our NSS volunteer Ms. Samreen Patel gave a warm welcomed to our first speaker Mr. Sudhir Mangarji. Our Programme Officer of NSS felicitated him with Tulsi Sapling. Mr. Sudhir Mangar has completed his MBA, and he was working with lions association as Project Manager of I Quit Tobacco campaign. He is working for this social cause from last 10 years. He covered lots of important topics such as why youngsters are attracted towards this addiction? How it harms them? and why it should be stopped? His session was very interactive. It was an eye opening session for students, volunteers, and Staff. This session ended at 12:30 p.m.

AIDS is widely spreading disease and could be controlled by having as well as spreading proper awareness among people. So with respect to this concept our next session was organized on Aids Awareness. The session started at 12:45 p.m. it was conducted by our speaker Ms. Riddhi Singhania. She is a psychiatrist by profession and also a member of Lions association. She started her presentation with meditation for 10 minutes, which was relaxing for all of us. Her session was short but she covered lots of important topics regarding AIDS and its spreading. This session ended at 1:30 p.m.

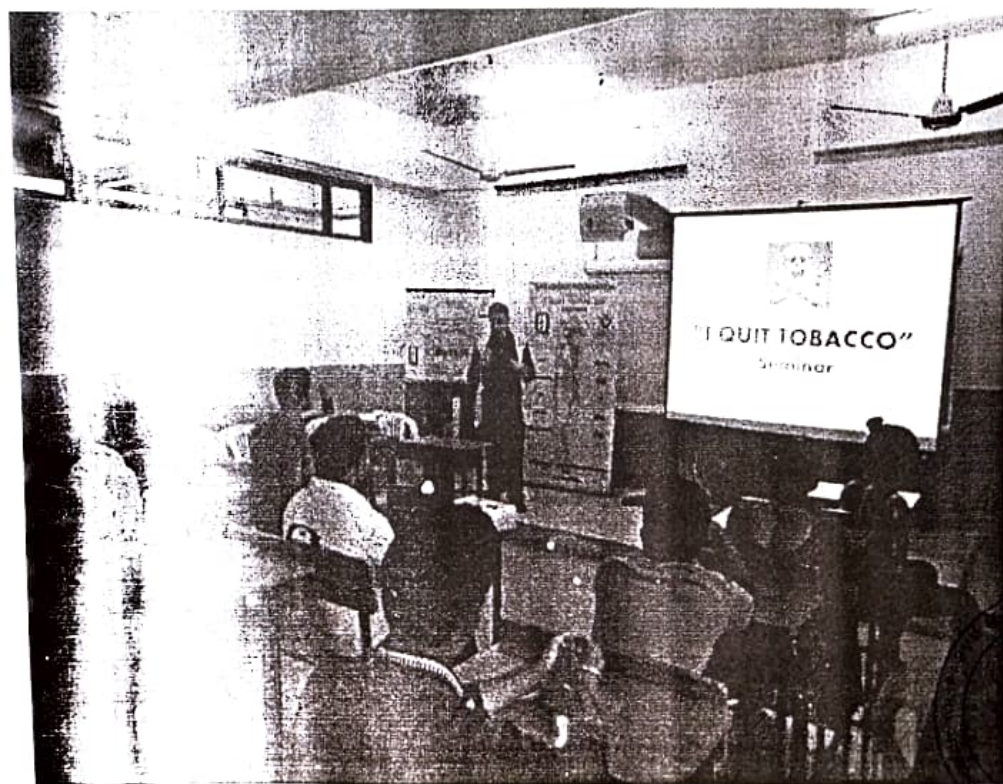

After both the session got over, all participates took oath that they will spread awareness regarding AIDS and will quit tobacco. On behalf of Lions Association, A certificate of Appreciation was given to college. Mr. Darsh Chitalia, Programme Officer (PO) of NSS gave them thanking letters. Ms. Shivnetra Rampalli, NSS Members gave the vote of Thanks to all the dignitaries and participates. The snacks were distributed. The photographs were taken for record.

॥ हिंदी दिवस समारोह ॥

वर्ष २०१७-२०१८

“हिंदी भाषा नहीं भावों की अभिव्यक्ति है
यह मातृभूमि पर मर मिटने की भक्ति है”

जीवन में भाषा का सबसे अधिक महत्व होता है। एक भाषा ही हमें तहजीब का विकास कराती है, इसी कारण सभी देशों की अपनी एक मूल भाषा होती है। जिसका सम्मान करना देशवासियों का कर्तव्य है, मानो कि भाषा भावनाओं को व्यक्त करने का एक साधन मात्र है लेकिन इस साधन में वो बल है जो दुनियाँ को बदल सकता है। विभिन्नताओं के बीच एक भाषा ही है जो एकता का आधार बनती है और हम सभी को इस एकता के साधन का सम्मान करना चाहिये, हिंदी हमारी मातृभाषा है जिसे सम्मान देना हमारा कर्तव्य है।

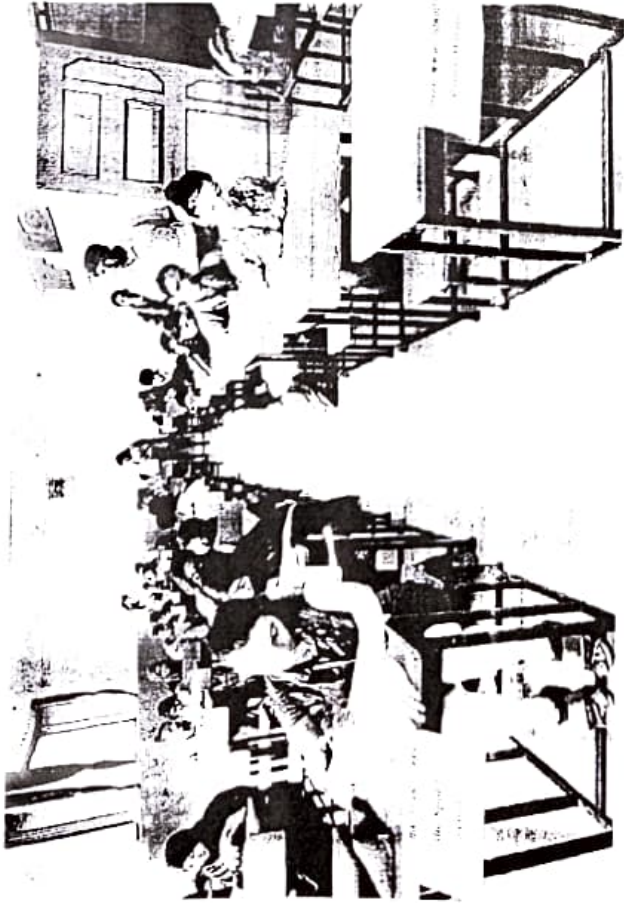

गुरुवार, दिनांक १४ सितंबर, २०१७ को घनश्यामदास जालान कॉलेज ऑफ सायंस अँड कॉमर्स में हिंदी दिवस मनाया गया। हिंदी दिवस के उपलक्ष्य पर कॉलेज में हस्तलेखन प्रतियोगिता, स्वरचित कविता लेखन प्रतियोगिता, पोस्टर बनाओ प्रतियोगिता, हस्तलेखन प्रतियोगिता, वर्तनी सुधार प्रतियोगिता का आयोजन किया गया। इन गरी प्रतियोगिताओं में लगभग ११० विद्यार्थियों ने बड़े उत्साह से भाग लिया। इन प्रतियोगिताओं के माध्यम से हिंदी दिवस के महत्व का प्रस्तुत किया। हिंदी भाषा के प्रति अपने भावों तथा विचारों को बड़ी खूबसूरती से अभिव्यक्त किया गया। पोस्टर बनाओ प्रतियोगिता में छात्रों ने अपने प्रिय कवि, लेखक जैसे मीराबाई, प्रेमचंद, रवींद्रनाथ टैगोर आदि के पोस्टर बनाकर अपनी कला का बेहतरीन प्रदर्शन करके हिंदी भाषा के प्रति अपने प्यार को प्रकट किया। अन्य प्रतियोगिताओं में भी छात्रों की भागीदारी काबिल तारीफ था।

National Service Scheme Unit organized

CLEANLINESS DRIVE

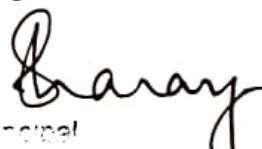

(19th and 20th August 2017)

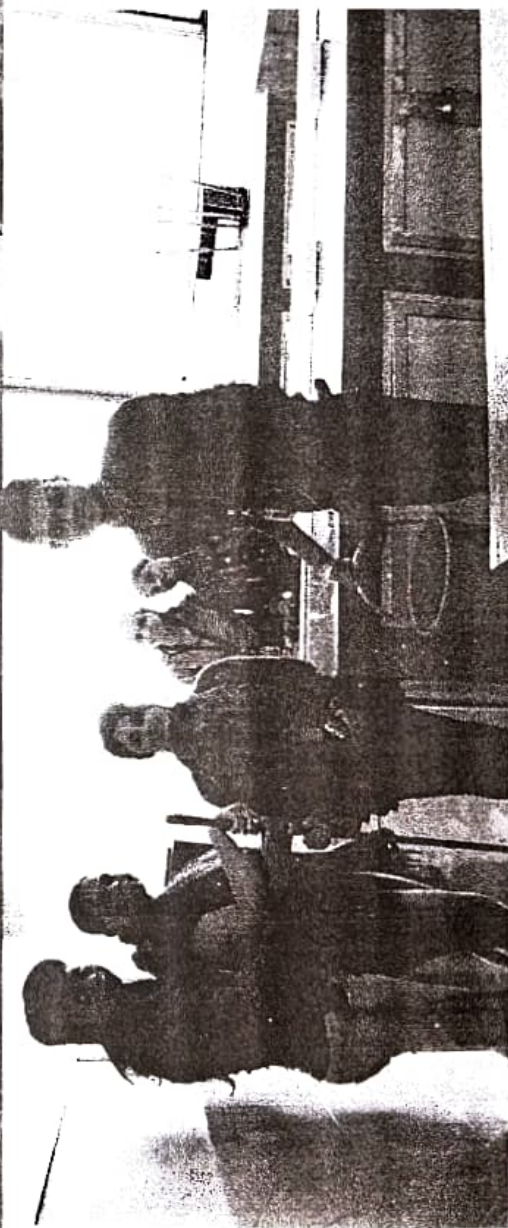

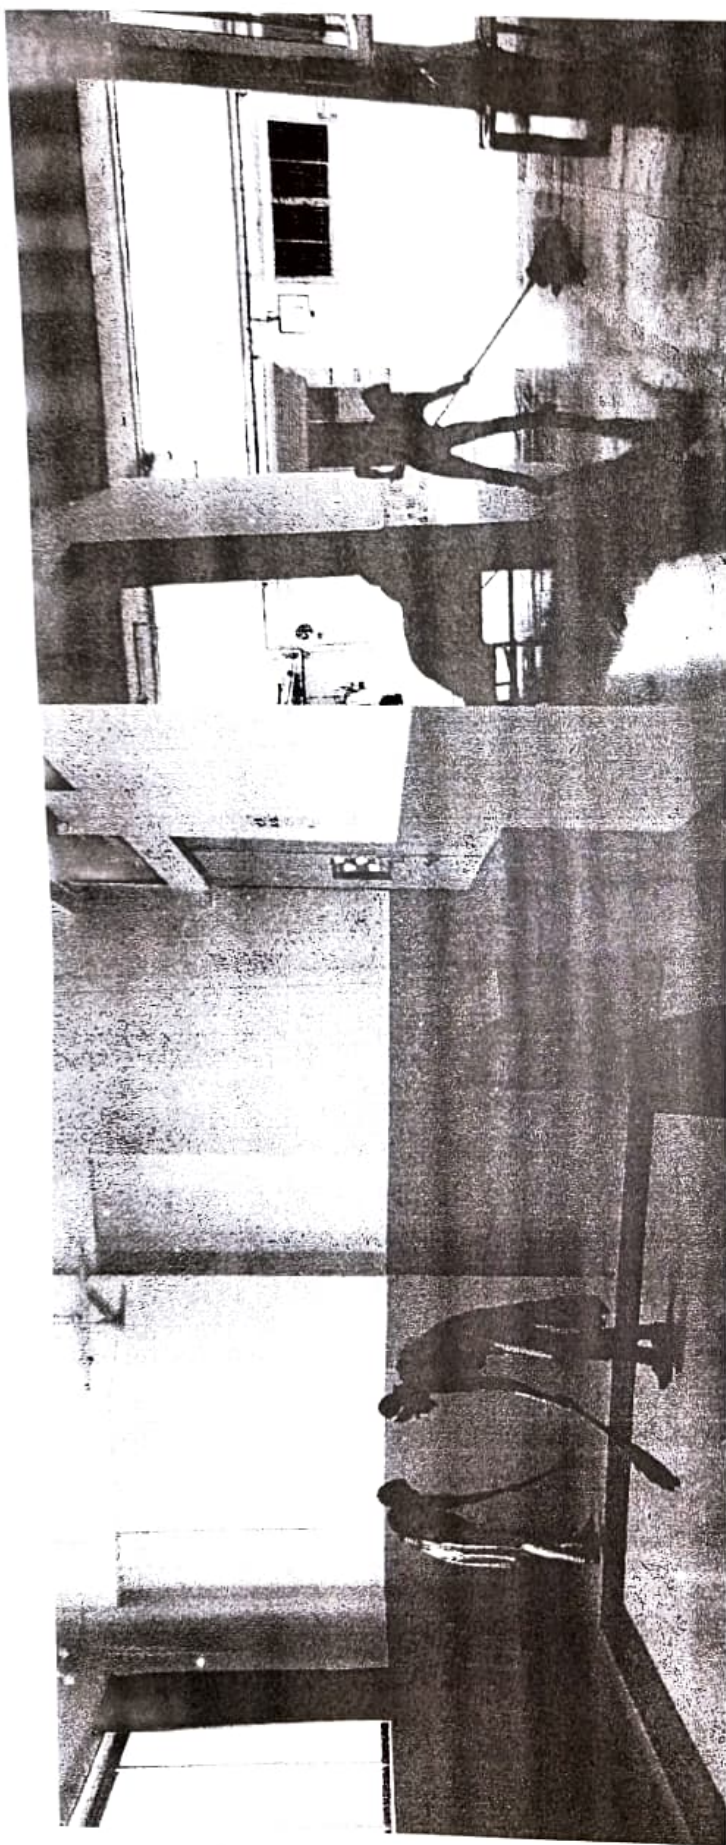

The National Service Scheme Unit of Ghanshyamdas Jalan Degree College of Science, Commerce & Arts, Malad had organised a Cleanliness drive on 19th and 20th August 2017. Mr. Darsh Chitalia Programme Officer (PO) of NSS, 50 NSS volunteers participated in this event.

Swachh Bharat Mission was launched by Hon'ble Prime Minister of India on 2nd October 2014. Swachhta Pakhwada is a fortnight initiative to be carried out under NSS. The main aim is to promote cleanliness. Under this few activities and events were incorporated such as Swachhta shapath, Cleanliness drives, Awareness programme etc. All the NSS volunteers were divided into 2 classes. They were about to perform activities on 2 different dates. On 19th August 2017, First and Second year of Science volunteers were allotted to clean the Laboratories while On 20th August 2017, Third year Commerce volunteers were cleaning classroom and ground. First and Second year of Science volunteers cleaned all the laboratories for e.g. Physical Chemistry, Biology, and Chemistry. They cleaned Chemical bottles, labelled and alphabetically arranged them in the shelf. Next day, Third year Commerce volunteers cleaned 6 classroom and ground floor by Sweeping beaches, Board and Floor. All the activities were supervised by Programme Officer (PO) of NSS and photographs were taken for record.

मुंबई विद्यापीठ

प्रतिज्ञा

- ❖ मुंबई विद्यापीठ हे माझे विद्यापीठ आहे आणि या विद्यापीठाचा मी एक सदस्य आहे याचा मला सार्थ अभिमान आहे.
- ❖ या विद्यापीठातील ज्ञानद आणि कार्यात्मक परंपराविषयी मला आदर आणि प्रेम आहे.
- ❖ या विद्यापीठाच्या बहुभाषिक, बहुधर्मीय आणि वैविध्यपूर्ण स्वरूपाचा मला अभिमान आहे.
- ❖ मुंबई विद्यापीठाने रुजविलेल्या आणि जोपासलेल्या आधुनिक विचारप्रणालींचा वाहक होण्याची पात्रता माझ्या अंगा यावी, म्हणून मी सदैव प्रयत्न करेन.
- ❖ या विद्यापीठाचे कुलगुरू, प्र-कुलगुरू आणि कुलसचिव यांच्यासह सर्व गुरूजनांचा व वरिष्ठांचा मी मान ठेवीन. तसेच त्यांचा सुहृद होण्यासाठी मी प्रयत्न करेन.
- ❖ माझे सर्व सहकारी तसेच विद्यार्थी, पालक व इतर जण यांच्याशी मी सौजन्याने व सहृदयपूर्वक वाजेन.
- ❖ भारत देशातील या अतिशय प्रतिष्ठित विद्यापीठाशी मी सदैव निष्ठा राखेन.
- ❖ या विद्यापीठाचा लौकिक वाढविण्यासाठी मी कटिबद्ध आहे.
- ❖ मुंबई विद्यापीठाची शतकोनरी प्रतिष्ठा आणि या विद्यापीठाचा भविष्यकाल उज्ज्वल करण्यासाठी मी सदैव प्रयत्नशील राहीन. याचे माझे सौख्य सामावलेले आहे.

Swachhata Shapath on 4th August organised
by NSS Unit of G.D. Talwar College.

National Service Scheme Unit organized

SWACHHTA SHAPATH (OATH) PROGRAM

(4th August 2017)

The National Service Scheme Unit of Ghanshyamdas Jalan Degree College of Science, Commerce & Arts, Malad had organised a Swachhta Shapath (Oath) Programme on 4th August 2017. Dr. Sunanda Narayan Bhat, Principal of the college, Mr. Darsh Chitalia, Programme Officer (PO) of NSS, Ms. Shivnetra Rampalli & Ms. Sapna Sharma, Faculty Members, Non-teaching staff of the college and 52 NSS volunteers and students were participated in this event.

Swachhta Pakhwada is a fortnight initiative to carry on the agenda of Swachh Bharat Mission, aimed at promoting cleanliness. NSS unit of Maharashtra carried some activities under Swachh Bharat Mission, which included Swachhta Shapath, Cleanliness drives, Awareness programme etc. The Swachhta Shapath or Oath Taking Programme started at 10:00 a.m. in the Seminar hall. The Shapath or Oath was taken by NSS Volunteers and students. It is said that dirt and disease always go together so, cleanliness is an important part of our life. It is very essential for good health. The volunteers and students pledged themselves that they will keep the surrounding clean and will spread awareness among people regarding hygiene. At the end Programme Officer (PO) of NSS gave a thanking speech to all the NSS Volunteers and students for their enthusiasm. The Programme ended at 11:00 a.m.

Ghanshyamdas Talan College
Organised Yoga Day on
21st June 2019

International Yoga Day at Ghanshyamdas Jalan College

The International Yoga day was celebrated on 21st June to bring peace, harmony, and happiness and success to every soul in the world. This was a great opportunity to imbibe the value of discipline. Yoga is a mental, physical and spiritual practice that needs to be carried every day. Children got the chance to know how yoga embodies unity of mind and body.

The NSS unit of our college had organised a yoga session on 21st June 2019 in the Seminar room. About 50 volunteers of NSS, Degree College students along with 15 teachers performed yoga between 8:30-10:30 am. Different yoga postures were taught by Ms. Dipika Panchal from Patanjali. The session finally ended with pranayam and meditation. Prayers were recited before and after the programme.

Heartfelt thanks to our Prime Minister, Mr. Narendra Modi for giving an opportunity for all the colleges to celebrate the International Yoga Day. The photographs for the same were taken as a token of memory.

।। हिंदी दिवस (२०१९-२०) ।।

मन की भाषा, प्रेम की भाषा
हिंदी है भास्त जन की भाषा

हिंदी दिवस हमें हमारी असली पहचान को याद दिलाता है। हिंदी दिवस उस दिन को याद करने के लिए मनाया जाता है, जिस दिन हिंदी भाषा हमारे देश की आधिकारिक भाषा बनी थी। प्रत्येक वर्ष १४ सितंबर को हिंदी दिवस मनाया जाता है। गनश्यामदास जालान कॉलेज में शनिवार १४ सितंबर २०१९ को हिंदी दिवस मनाया गया। हिंदी दिवस के अवसर पर इस वर्ष कॉलेज में अंताक्षरी और पोस्टर बनाओ प्रतियोगिता का आयोजन किया गया था इसमें हिंदी दिवस के अवसर पर हिंदी और हिंदी सिनेमा के महत्त्व को प्रस्तुत करते हुये अंताक्षरी के रंगारंग कार्यक्रम का आयोजन किया गया। जिसमें प्रत्येक कक्षा से तीन विद्यार्थियों के एक एक समुह ने हिस्सा लेकर इस कार्यक्रम में चार चाँद लगा दिये और सारा माहौल संगीतमय बना दिया। पोस्टर बनाओ प्रतियोगिता में हिंदी सिनेमा के पसंदीदा कलाकारों की प्रतिकृति बनाकर हिंदी के प्रति अपने प्यार को विद्यार्थियों ने व्यक्त किया। हिंदी दिवस हमारे सांस्कृतिक जड़ों को फिर से देखने और अपनी समृद्धता का जश्न मनाने का दिन होता है।

Letter of Appreciation

To,
Mr. Dinanath Chowrasia

Subject: Thanking you for conducting the Seminar on "Teaching based Training to uplift the standard of communication" on 26th September, 2019.

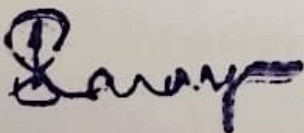

Respected Sir,

On behalf of all teachers and students, I sincerely appreciate your efforts in conducting "Teaching based Training to uplift the standard of communication" seminar at Ghanshyamdas Jalan College, Malad on 26th September, 2019.

Your knowledge on the subject is too vast & has cleared lots of our doubts. We truly appreciate the way you covered each and every topic in detail.

We once again would like to express our gratitude towards you and wish to attend more such workshops conducted by you.

Thanking You,

Dr. Sunanda Narayan Bhat

Wisdom Webinar Series: Day 5

Report on "Food For Mood"

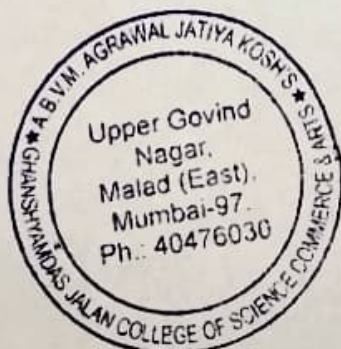

Ghanshyamdas Jalan College organized a webinar on **"Food For Mood"** on **26th October 2020** from **11:30 pm to 12:30 pm**. All students of **B.Sc./ B.Com.** along with all the professors participated in this webinar. The session started with an inaugural address by our Director and in-charge Principal **Dr. Rajeshwari Ravi**. She introduced and thanked the speaker of the day, **Ms. Dhvani Shah, An Expert Nutritionist**.

Ms. Dhvani Shah, An Expert Nutritionist, started with the session that which five things can change the mood as well as food. These five things are thought, light, food, water, oxygen. In her presentation she explained "What you eat & how you eat tells lot about who you are & what your body needs". She stressed on the disorders like Mood, Anxiety, Personality, Substance abuse, etc. She also mentioned about Eating disorders, Food associations, and the art of eating. She emphasized What are the Eating disorders such as Binge eating , Bulimia Nervosa, Anorexia Nervosa and OSFED (mood detect). She explained about more on **" the Art of Eating"** about the basic rules **Mitahaar (the ultimate meal experience)**, **Hara Hachi Bu (Japanese Ayurvedic Concept)**, **Ca-Mg-Zn-Si**, **Sugar (Fructose form)**, **Relaxants (relaxing a brain)**, **Alkalising (remove acid from body)**.

At the end of the session she displayed a thought of the day: **"Your body is the only place you have to live in. Take good care for it"**. This was followed by a vote of thanks from **Ms. Shivnetra Rampally**.

Report on
Wisdom Webinar Series, Day 7 - 'Anxiety Spectrum'
on 28.10.2020

The Science Club of Ghanshyamdas Jalan College of Science, Commerce & Arts, conducted an interactive session on "Anxiety Spectrum" on 28th October, 2020 from 3:00 p.m. to 4:30 p.m. on Zoom platform. The objective of this webinar was to create a spread of awareness in the participating audience about mental health and how to deal with such issues of mental wellbeing. It was an attempt to answer questions that surround mental wellbeing of individuals and ways and methods to overcome the difficulties which have arisen due to the spread of COVID-19 virus.

The session started with an inaugural address by our **Director and In-charge Principal Dr. Rajeshwari Ravi**. She introduced and thanked speaker of the day, **Dr. Sheba Singh, Psychologist**.

Dr. Sheba shared her views on how to differentiate between an anxiety disorder, fear and phobias. The takeaway from the sessions was how to identify the symptoms of mental disorders, self-inflicting, lack of interest in daily life, suicidal thoughts, lack of self-care, inability to sleep, etc by way of actively diverting your existing negative thinking into a positive one and pamper yourself by way of yoga and meditation and thus addressing the fear and anxiety. Also to strike a balance between work and rest. She also discussed how one can cope with stress in many ways like spiritually, emotionally, mentally, physically and by a way of counseling sessions.

At the end of the session Dr. Sheba responded to the questions and doubts raised by the participating students and faculty members. The webinar concluded with the five messages, thoughts & with vote of thanks delivered by Assistant Professor of Zoology, Mr. Vishal Gaikwad.

Organized a 'Wisdom Webinar Series' on

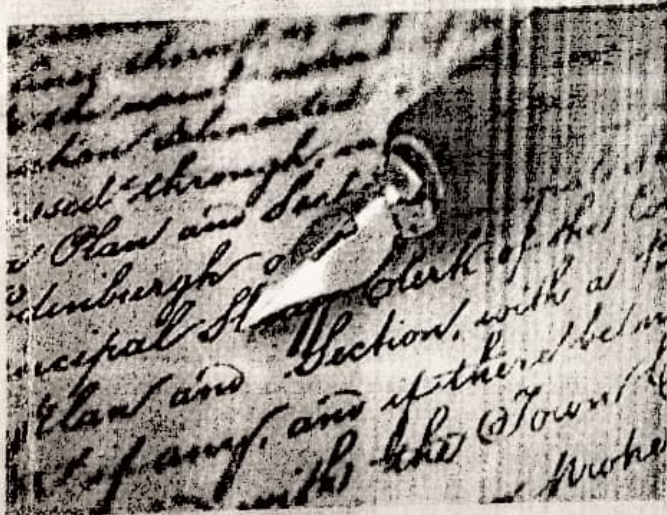

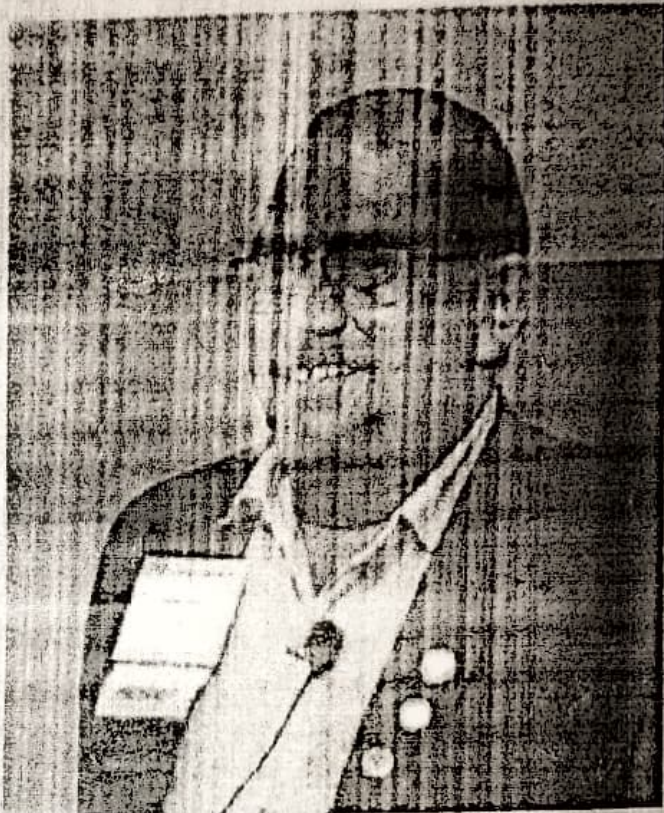

"Know your Personality through Handwriting & Signature"

A person's Handwriting will
speak about him more than
one can believe.
Handwriting is the
most genuine expression of
one's real personality.

SPEAKER:

Prof. Prajesh Trotsky

Graphology is the science of
understanding ones
personality through
handwriting and signature.

Day: Friday

Date: 6th November, 2020

Time: 11.30 a.m.

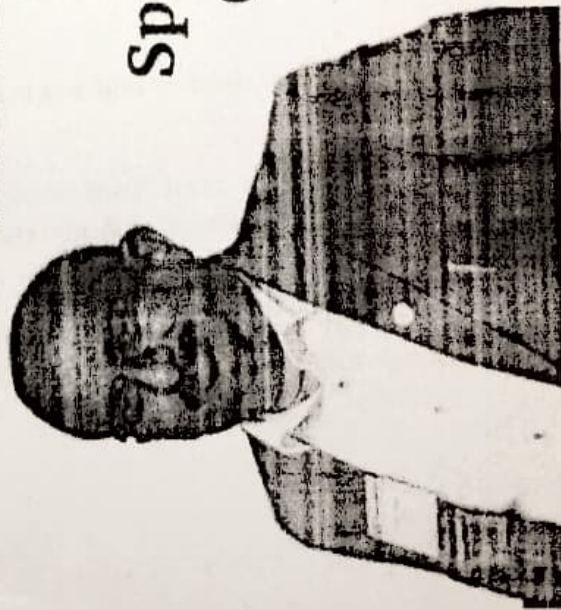

GHANSHYAMDAS JALAN COLLEGE

ORGANISES A WISDOM WEBINAR SERIES

'Know your Personality by *Handwriting & Signature*'

Speaker: Prof. Prajesh Trotsky,
Graphologist, NTS Edusys.

Date: 6th November, 2020

Venue: Zoom

Time: 11:30 AM

W i s d o m

**Ghanshyamdas Jalan College is inviting you to a scheduled
'Wisdom Webinar Series' Day 8 on Zoom.
on 6th November, 2020 at 11:30 AM**

Topic: "Know your Personality through Handwriting & Signature"

By - Prof. Prajesh Trotsky - Graphologist, NTS Edusys

Mr. Prajesh Trotsky is an Academician by Profession from last 20 years and have trained more than 75,000 students. He has also taught differently abled students.

He is a Certified Graphologist and has a Team of 100 Handwriting Experts learnt under him.

A Dynamic Speaker with a streak of revolutionizing the way we learn & see things.

He conducts Seminars & workshops for Parents, Students and Teachers, Coaching Class Owners and Non-Teaching Staff that changes your life with the most amazing & result oriented Science called Graphology for wellness, happiness, excellence & holistic development.

His sole aim of life is to help people around him to come out from their intricacies of life.

He helps the slum children to upgrade their level of education. He is a Social Ambassador for Indian Development Foundation & is associated with various national and international NGO'S.

He is a proud member of The International Business Forum; BNI where he represents the category of Graphology in BNI Vijay Chapter at Club Acquaria and served as a President of the Chapter for 6 months.

NOTICE

Webinar on: "Know your Personality through Handwriting & Signature"

All the students and faculties are hereby informed that Ghanshyamdas Jalan College is inviting you to a scheduled Wisdom Webinar Series: Day 8 on Zoom platform, on a very interesting topic "Know your Personality through Handwriting & Signature" by Prof. Prajesh Trostsky. Prof. Prajesh Trostsky will introduce you to "How a person's handwriting will speak about him more than one can believe". This webinar is organised to increase our knowledge in various fields and will make you more smart.

You will be sent a feedback form link at the end of the session. All of you must fill the feedback form and send it back to us immediately. Once we receive the feedback form, we will be sending you the E-Certificate of participation.

➤ Attendance for the Webinar is compulsory.

Academic Year 2020-2021

Report on Wisdom Webinar Series 8:

“Handwriting analysis:

Know your personality through Handwriting and Signature”

(6th November 2020)

Our college has organised a series of webinars for enhancing the knowledge of our students. On the 8th day of the Wisdom Webinar Series, our college organized a webinar on “Handwriting analysis” which can help to know one's personality through Handwriting and Signature. The Resource person of the webinar was a renowned graphologist, Prof. Prajesh Trotsky.

The webinar was conducted on Zoom platform and live streamed on youtube as well. Around 120 participants were present. The webinar started with an introduction of our resource person by our Director and In-charge Principal Dr. Rajeshwari Ravi. Prof. Prajesh Trotsky explained us about Graphology. He also explained that it is the analysis of the physical characteristics and patterns of handwriting with an attempt to identify the personality of the writer. Prof. Prajesh Trotsky said that your handwriting indicates the psychological state at the time of writing and this helps to evaluate a person's character, his strengths, weaknesses, etc. The entire session was very interactive and interesting.

The webinar ended with a question answer round and the vote of thanks was extended by Asst. Prof. Chiranjeev Roy.

I express my gratitude to the management committee and thank to our Director and In-charge Principal Dr. Rajeshwari Ravi for organising such an interesting webinar.

Thanking you,

Ms. Shivnetra Rampalli
Professor-in-charge

Report On "Emotional Intelligence In Classroom"

A webinar on 'Emotional Intelligence in the Classrooms' by Ms. Neena Chambyal, IELTS Trainer, was organized by the 'Language club' of our college on 04th March, 2021. The main purpose of this webinar was to accelerate our students academic performance and to develop a clear understanding of emotional intelligence in them. All the B.Com and B.Sc students of our College participated in this webinar. Our Director & I/c Principal Dr. Rajeshwari Ravi spared her valuable time and introduced the resource person for the webinar. Ms. Neena explained that Emotional Intelligence (also known as emotional quotient or EQ) is the ability to understand and manage our own emotions in positive ways to remove stress, communicate easily, empathize with others, overcome the day-to-day life challenges and remove the ongoing conflict.

She also explained the five components of Emotional Intelligence like Empathy, Social skill, Self-awareness, Self-regulation, and Motivation. Ms. Neena further discussed the various benefits of Learning Emotional intelligence in the classrooms. Benefits like High academic performance, Strong Social skills, Better stress management, Regular attendance, and fewer behaviour issues.

She also highlighted the Improving EQ (Ruler System) developed by Marc Brackett. Many schools and colleges in Canada and USA use this ruler system to develop the students.

DEFINITION OF INTELLIGENCE AND SOME IMPORTANT ATTRIBUTES

- Often studied in humans – Difficult to exactly define & definition varies
- Broadly AI is ability to undertake the following task

| | | | |
|---|------------------------|-------------------|---------------------|
| Capacity of Logic or Logical Interpretation | Problem Solving | Understanding | Self Awareness |
| Learning | Emotional Intelligence | Reasoning | Planning |
| Complex use of Memory | Communication | Critical Thinking | Sense of Perception |

It is a process – to retain above as a knowledge to be applied towards adaptive behavior within an environment or in a given context

NeuroTechSoft

WHAT IS MACHINE LEARNING (ML)?

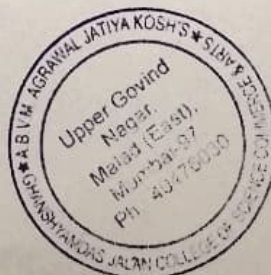

- It identifies valuable relationships among various variables in a given data set.
- It can easily handle thousands or many more variables at any given time – even in real time
- In doing so, it also derives useful inferences from them.
- As evident from the name, ML gives a computer, power which helps to mimic a task what would conventionally be done by humans or
- A task which cannot be done by humans given the complexity of the problem or mammoth data set and inability for human brain to perceive the complex relationships between various variables.
- This science is a game changer and it will have far reaching impact on our life

NeuroTechSoft
Machine learning and Artificial Intelligence

Dr. Maheshwar Mahra

Recording LIVE on Custom Live Streaming Service

WHAT IS ARTIFICIAL INTELLIGENCE (AI)?

- "Intelligence" in machines is called "Artificial Intelligence"
- When a machine (Computer) is designed to perform some of the these "complex" tasks (normally done by humans) - it is considered as "Artificial Intelligence"
- Most living beings - humans, animals and plants - have varying degree of intelligence - Natural as opposed to Artificial.
- Human brain is an extremely complex Organ - perhaps most complex biological creation
- Ordinarily, in most applications of AI and ML, we are trying to mimic or replicate output of the brain functioning rather than mimicking the brain itself.
- Except to some extent when we use "Artificial Neural Networks" - a very powerful AI technique for solving many complex problems.

NeuroTechSoft
Machine Learning and Artificial Intelligence

Click to add notes

Participants Chat Share Screen Record Settings Leave

Recording LIVE on Custom Live Streaming Service

WHAT IS ARTIFICIAL INTELLIGENCE (AI)?

- In "Artificial Neural Networks", we try to mimic functioning of brain and try to create a structure similar to a brain using Artificial Neurons and multi-layer perceptions.
- This is a very tiny attempt to replicate brain functions
- Brain functions are very complex
- These artificially created networks have helped solved many complex practical problems
- In particular
 - Image recognition & processing.
 - Pattern recognition.
 - Voice recognition & processing, etc.. (Deep learning)
 - Natural language processing problems like language translation ec..

NeuroTechSoft
Machine Learning and Artificial Intelligence

Click to add notes

Participants Chat Share Screen Record Settings Leave

WHAT IS MACHINE LEARNING (ML)?

What is learning?

- Broadly – Acquisition of knowledge or skills through study, experience, or being taught (what typically happens in schools and colleges)
- Machine learning (ML) – a subgroup of Artificial Intelligence (AI).
- Machine learning or ML is a science where mathematical, statistical models and algorithms are deployed in a computer system to perform a specific task with data.
- It helps unfold hidden complex patterns in a given data set
- Very exciting technological development of recent times.
- It will also create many new jobs in computer science
- It is also solving many new problems not attempted so far (in almost all fields)

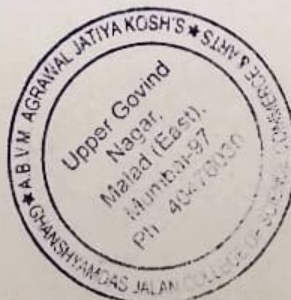

Dr. Mahendra Kumar

MACHINE LEARNING & ARTIFICIAL INTELLIGENCE – SOME CHARACTERISTICS

- Both ML and AI are statistical and mathematical algorithms (programs) developed to learn from the data provided to it.
- Extremely good in finding complex relationship existing in provided data set
- They are primarily data driven modelling exercise – particularly ML
- It can handle very complex "Big Data" set very easily and efficiently
- ML is helped by huge operating computer speed and quick response time of the computers
- Hardware prices have fallen a lot in last few years
- It will further fall to almost negligible price

Dr. Mahendra Kumar

Recording LIVE on Custom Live Streaming Service

Machine Learning & Artificial Intelligence - SOME CHARACTERISTICS

- Most Algorithms of ML and AI are freely available in Python & R
- Many machine learning and AI tools and applications are also freely available
- Huge decision support for helping us with complex decisions
- In many cases better decision making ability of the ML and AI algorithms
- Steadily - working and reliability becoming efficient and increase in confidence.
- Many problems which ML or AI can solve today - could not be solved otherwise.
- Increasingly newer problems coming in realms of ML and AI which did not have any solution or in many cases previous solutions were ad-hoc
- Continuous improvement of algorithmic power as more and more data made available in future
- Slowly and steadily, real time gathering of data and its analysis to improve the system performance. (Sports, F1 race, Traffic management, Driverless car driving, Algorithmic trading, Drone technology, Weapon delivery systems etc.)

NeuralTechSoft

Machine learning and Artificial Intelligence 1

- Many machine learning and AI tools and applications are also freely available
- Huge decision support for helping us with complex decisions
- In many cases better decision making ability of the ML and AI algorithms
- Steadily - working and reliability becoming efficient and increase in confidence.
- Many problems which ML or AI can solve today - could not be solved otherwise.
- Increasingly newer problems coming in realms of ML and AI which did not have any solution or in many cases previous solutions were ad-hoc
- Continuous improvement of algorithmic power as more and more data made available in future
- Slowly and steadily, real time gathering of data and its analysis to improve the system performance. (Sports, F1 race, Traffic management, Driverless car driving, Algorithmic trading, Drone technology, Weapon delivery systems etc.)

Some Applications of Machine Learning & Artificial Intelligence

Machine learning algorithms are used in a wide variety of applications, some of them are

- Computer vision, Image recognition & processing
- Natural language processing – Rapidly expanding and finding huge applications
- Autonomous Driverless vehicles design and development – Most interesting application – creating accident free traffic flow (18 people die in road accident per hour in India)
- Health care, such a disease diagnostics, AI controlled Robotic surgery etc.
- Improving sports performance, F1 car race, Player performance and in many other sports, Olympic games, Space Exploration, Gaming, Education
- Efficient traffic management & many other related applications
- Medical science – Diagnostics of rare cancer, Precision surgical procedures etc.

SOME APPLICATIONS OF MACHINE LEARNING & ARTIFICIAL INTELLIGENCE?

- Targeted marketing where it is difficult or infeasible to develop a conventional algorithm for effectively performing the task.
- Algorithmic trading in Financial markets
- Recommendation Systems for many online shopping
- Election Management Systems and related applications
- Churn Analytics for various applications – Telecomm and other retail businesses
- Customer segmentation in various businesses
- Warfare Machinery enhancements, Drones, Surveillance, Radar systems, satellites
- Traffic management related applications
- Agriculture science, Music, Cinema, Crime detection, Chatbots, google-home, Alexa

WHY AI AND MACHINE LEARNING HAS BECOME SO POPULAR?

Popularity of AI and ML has many reasons

- Huge development of software tools in Open Source domain in last few years – Python, R, Databases, Distributed computing, easy availability of tools like from TensorFlow, IBM Watson, Deep-mino etc..
- Phenomenon decrease in price of Computer hardware and memory, Popularity of cloud computing
- Phenomenon increase in speed of machines, parallel processing, quantum computing
- Phenomenon increase in cloud computing services worldwide.
- Ease of programing AI and ML code
- Growth in Schools and courses in this area.
- Greater awareness among younger generations & students

WHY AI AND MACHINE LEARNING HAS BECOME SO POPULAR?

- Coursera's contribution in learning ML and AI - making it more popular
- Shifting of talent from all disciplines to Data Science area
- Huge applications by big tech giants like Google, Facebook, Twitter, LinkedIn, Microsoft, Tesla, Instagram & other platform
- Data collection and availability in many businesses and across different fields.
- Increasing cost of man-power in many job functions
- Increase in customer volume across in many industries compelled the need for automation
- Increase in problem solving capability of very complex problems
- Helps in knowledge retention in a very significant way
- In my opinion, it would create more jobs rather than job lose as popularly believed

Why

Why Artificial Intelligence and Machine Learning is Important?

- Many problems which could not be solved earlier - can be easily solved now using these technologies
- Automate many important tasks
- Provides capability of processing many variables at the same time almost instantaneously
- Cost reduction in service delivery to customers in many businesses
- Increase in service efficiency
- Excellent use of past experience in the form of data to learn from it.
- Going to have far-reaching impact on human life in every possible way.
- Going to change lot of work aspects of our life
- Going to make human computer interaction easy and practical and very economical
- It will replace millions of "Mechanical" jobs in the world - "a social concern"

Report on "Artificial Intelligence & Machine Learning"

Ghanshyamdas Jalan College organized a webinar on "Artificial Intelligence & Machine Learning" on 5th March, 2021. All the students along with all the professors attended the webinar. The session started with an inaugural address by our honourable Director & I/c. Principal Dr. Rajeshwari Ravi. She introduced and thanked the speaker of the day, Dr. Mahendra Mehta, the Managing Director of Neural Technologies & Software Pvt.Ltd.

Dr. Mahendra Mehta, started the webinar with the definition of "Artificial Intelligence", and continued with informing us about different attributes of Intelligence like Capacity of logical interpretation, Problem solving & Understanding, Self - Awareness & Learning, Emotional intelligence, Reasoning, Planning, Complex use of memory, Creativity, Critical thinking, Sense of perception, etc.

He also explained in detail the concept and working of AI & Machine learning with live and future applications.

The session was completed with Q & A by the participants followed by a vote of thanks from Assistant Professor Mr. Raviprakash Jaiswal.

Report On "Resume Writing"

A webinar on 'Resume Writing' was organized by "Placement Cell" of our college on 6th March, 2021 on Zoom Platform and supplemented by YouTube streaming. Dr. Rajeshwari Ravi, Director & I/c. Principal introduced the guest speaker Dr. Navin Punjabi, Vice-Principal, H.R. College of Commerce and Economics, Mumbai.

A resume is the formal written representation of one's personality. Dr. Navin Punjabi who is experienced in field of drafting Resume, elaborated on the miniscule detail and Dos and Don'ts while preparing a resume. He explained how Resume catches the attention of the recruiter at the time of Interview.

He showcased all the minute details of the resume in the form of a presentation to all the students. A very informative webinar ended with the queries asked by the students. The students of the final year keenly observed the minute details of the resume as they are on the verge of applying for a job.

Subject : Thank you for being a 'Wonderful Resource Person'.

Dear Prof. Atul Sathe,

I thank you for accepting our invitation as a 'Resource Person' to engage a Webinar for the benefit of our students on 'Resume Building' on the 30th November, 2021.

As we all are aware that, it is the 'Perfect Resume' which acts as a 'Door Opener' for many of us for various aspects. During the entire Webinar you made our students understand and realize the difference between a 'Bio-data' & a 'Resume' and the terms that are to be and not to be used in the Resume and also the ways and means to gain Certificates that are well received to enhance the Resume.

Our students and our staff found the Webinar to be extremely useful and the need of the current era.

Our Management, Staff, Students and I, thank you once again for giving your valuable time to engage such an effective and priceless webinar.

Best regards,

Rajeshwari Ravi

Guest Lecture on

Resume Building: The 1st step towards a successful career

On 30.11.2021

REPORT

The Ghanshyamdas Jalan College of Science, Commerce and Arts, organized a **Guest Lecture** on "Resume Building: The 1st step towards a successful career" on 30.11.2021 from 11:30 a.m. to 1:00 p.m. on Zoom platform. The objective of this guest lecture was to guide the students on how to prepare an effective resume.

The session started with an inaugural address by our **Director, Dr. Rajeshwari Ravi**. She introduced and thanked the resource person of the day, **Prof. Atul Sathe**, Asst. Professor of Economics, H.R. College.

The session started by explaining the basic difference between the Resume, C.V. and Bio-data. He also explained the key points for the preparation of an effective resume. Later, he also focused on the terms which should or which should not be mentioned in the resume. He shared his views on how the resume helps during the time of interview sessions.

At the end of the session **Prof. Atul Sathe** responded to the questions and doubts raised by the students. This was followed by a vote of thanks from Assistant Professor of Chemistry, **Ms. Wamakshi Verma**. Our **Principal Dr. Rajeshwary Govindappa** also thanked the Resource person and the audience for the patient hearing.

Report

Webinar on "Cardiac Arrest Resuscitation for everyone"

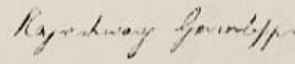

N.S.S. Unit of Ghanshyamdas Jalan College has organized a training cum awareness session on "Sudden Cardiac Arrest Resuscitation" in association with ICARE (Cardiac Arrest Resuscitation for everyone) on 8th February 2022 from 11:30 pm to 2:00 pm. All the N.S.S Volunteers & Students of Degree & Junior College participated along with all professors in the webinar.

The session started with an overview by Dr. Rajeshwari Ravi, our Director. She began the webinar with the descriptive introduction of our resource person, Ms. Sumaiya Raghavan, The Operation Head & Mr. Anand Shrivastav, The Project Director. She also elaborated that they are qualified trainers on First Aid Heart saving and CPR and have received BLS certification from the American Heart Association. They have held numerous workshops on how to handle cardiac arrest emergencies and have trained over 100,000 citizens including the front line force and workers of the country in the last 4 years that include Police Personnel, Railway officials and Fire fighters of various states. This number continues to increase each day. They have been felicitated by The Society for Heart Failure and Transplantation for their pioneering work on teaching CPR.

The resource persons started the session with explanation of how the cardiac arrest is different than Heart attack. They have also emphasized on how to reduce the risk of cardiac diseases. How to perform CPR (Cardio Pulmonary Resuscitation), Do's and Don'ts while giving CPR, Importance of Hand position and Pressure points. They also expanded on Automated External Defibrillator machines, How to use them, & Do's and Don'ts while using AED machine.

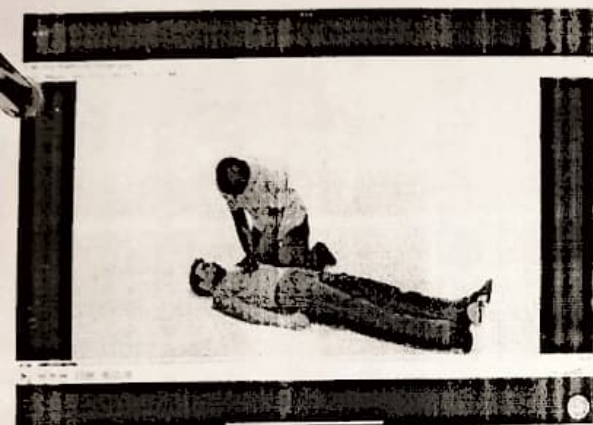

At the end of the session Ms. Shivnetra Rampalli, Program officer of NSS, delivered the Vote of Thanks to the Resource Persons, Management Committee Members, Director, Principal, Teaching & Non-Teaching Staff, and Volunteers for making the webinar successful with their presence.

Has organized a "Wisdom Webinar Series - 2022"

on

"Graphology : Unlock the Secrets of Handwriting"

SPEAKER:

Ms. Trisha Bhatt

Ms. Trisha Bhat is a Certified Graphologist.

Graphology is the analysis of handwriting with an attempt to determine someone's personality traits.

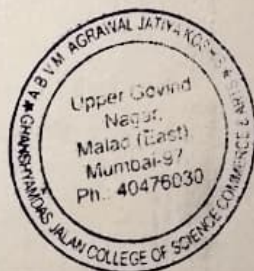

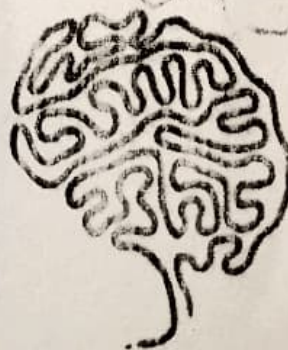

This is because handwriting is the pattern of our psychology expressed in symbols on the page and these symbols are as unique as our own DNA & a small change in our handwriting can make a big impact in our life.

DAY-6

Guest Lecture on

"Graphology: Unlock the Secrets of Handwriting"

On 09.02.2022

REPORT

The Ghanshyamdas Jalan College of Science, Commerce and Arts, organized a Guest Lecture on "Graphology: Unlock the Secrets of Handwriting" on 09.02.2022 on Zoom platform. The objective of this webinar was to understand personality traits from a person's handwriting, signature, strokes and patterns.

The session started with an inaugural address by our Director, Dr. Rajeshwari Ravi. She introduced and thanked the resource person of the day, Ms. Trisha Bhatt, Graphologist for sharing such a useful and valuable information on personality traits during the session.

The guest speakers Ms. Trisha Bhatt initiated the session by making students aware on how one's handwriting & signature pattern reveals the psychological state of mind at the time of writing and this helps to evaluate their character, strength, temper, weakness, etc.

The webinar was really informative to our students, as it will help to enhance the personality traits & the image, with a slight change and rectification of the wrong traits in the handwriting.

At the end of the session Ms. Trisha Bhatt responded to the queries raised by the participating student. This was followed by a vote of thanks from our Assistant Professor of Chemistry, Ms. Dipika Gupta.
