'POSTER MAKING COMPETITION'

On 31st August 2017, the cultural committee our college organized 'Poster making competition' for Degree College students together. The competition was held in a classroom and it was started at 11:30 am and ended by 1:00pm.

Around 25 students participated with great enthusiasm. They exhibited their talent through their art work. The theme for the competition was 'WORLD PEACE'.

The students expressed their ideas through colour and forms accompanied with relative captions and slogans. It was a great opportunity to watch these young minds trying to create their ideas of a better world on paper.

Everyone gave their best response but being a competition, we had to adjudge the best efforts. So our junior college Vice principal has judged student's art and took out three ranks and also one consolation prize too.
