Inter-Collegiate AURA Celebration

Cultural activities plays an enormous part in a student's college life which naturally brings the spirit of enthusiasm, confidence, leadership, planning, effective teamwork, social-communication skills that equally prepares them for the real world.

In this COVID pandemic, since everything shifted from a real world to the virtual one, and academics were all conducted online, it was decided to mark this year with the virtual celebration of our inter-collegiate fest AURA.

AURA - A two-day intercollegiate virtual competition was meticulously organized on the **12th & 13th February, 2021**. There were more than 10 different events organized in different areas of Creative Arts, Performing Arts & Passion Arts.

The inter-collegiate competitions were naturally expected to lift the morale of the locked-down students by letting them uniquely express their incredible talents, personal creativity and discover their proficiencies even being at home.

The virtual cultural festival had attracted nearly 100 students from almost 25 different colleges across the city to participate enthusiastically and compete with each other for the coveted trophy. The 2 day event was organised on the zoom platform. The observed response to the cultural events was overwhelming.

The fest was enlightened with the lamp lighting ceremony in the notable presence of our **Managing Committee Members - Shri. Babulal Todi - Member, Convener - College Committee, Shri. Manoj Jalan - College Committee Member and Dr. Rajeshwari Ravi, the Director & I/c. Principal and Mr. Ashish Rane - P.R.O.**

The lamp lighting ceremony was continued by a few motivational words delivered to all the participants by Shri. Babulal Todi and Dr. Rajeshwari Ravi.

The comparer for the fest were **Ms. Wamakshi Verma & Ms. Uma Yadav.**

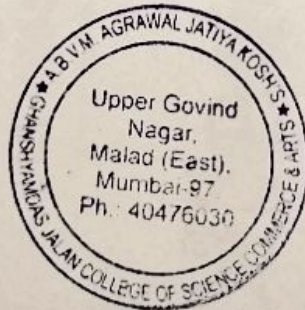

For all the creative art events, the active participants portrayed their unique skills LIVE on the zoom platform before the judges. For singing competition, the participants were requested to perform LIVE before the judges. Whereas for the solo and duet dance competitions, participants were judged on the basis of the recorded dance video clip sent by them. In the passion arts competitions, the participants were assigned prolifically to compose their inspired poems and insightful essays on the given topic in English and Hindi languages and were emailed to the elected judges.

The participants were very keen, actively involved and enthusiastic throughout the competitions. The esteemed judges carefully evaluated the active participants on the given parameters. Although it was virtual, they efficiently managed to accurately deliver the most appropriate decision in all the cultural events.

AURA-2021 was concluded by the declaration of the winners and runner ups for all the competitions by Dr. Rajeshwari Ravi. **Dr. Rajeshwari Ravi declared the Overall Championship Trophy which was won by Valia College of Commerce and Arts.** She encouraged all the students to be more passionate and determined for anything that they choose in their life and motivated them to work hard towards it for long term success.

The cultural celebration of 2 brilliant days was made possible only because all the teaching, non-teaching and the support staff came together and worked proactively in a coordinated manner to remarkably organise a fun-filled, entertaining AURA-2021.

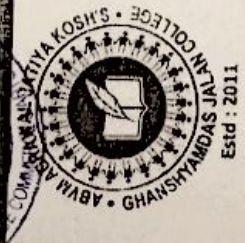

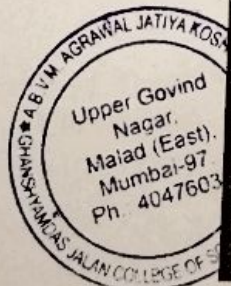

A virtual fest that will be remembered and cherished for a long time. It was conceivably through an illuminated screen, but AURA efficiently delivered the same excitement and incredible enthusiasm in the new normal too.

Intra-Collegiate fest- College Utsav

A constant academic work in front of the screen leads to boredom and monotony. It was precisely the time for the extra-curricular activities to be introduced before the students to make them feel refreshed and release the stress and anxiety created by this new caged classroom environment. Breaks at the right time creates a simultaneous interest in academics and extra-curricular activities. A correct balance between the two obtains the right results.

The 'College Utsav' an intra-collegiate fest-virtual competition was meticulously organized with joy, enthusiasm, and festive vibes on 17th, 18th, and 20th February 2021 for Junior as well as Degree College students. Every year this intra-collegiate event offers a platform for students to showcase their creativity and explore their artistic interests & passions. This adrenaline-rushing event witnessed about 85 participants who participated in different competitions. The fervour and energy of the students, as well as the participating audience, made the 'College Utsav' a huge success.

On 17th February 2021, the Grand 'College Utsav' began with an enthralling lamp lighting and inauguration ceremony which was graced by **Shri Nirmal Jhunjunwala, Vice-President & Secretary - Legal, Managing Committee Member, Shri. Babulal Todi - Member, Convener - College Committee, Dr. Rajeshwari Ravi - Director & In-charge Principal.**

Dr. Rajeshwari Ravi initiated the event by delivering a few motivational and encouraging words to all students. In the virtual presence of the Management Committee, staff members, and students the virtual College Utsav was conducted with great joy and enthusiasm with the event being hosted by **Ms. Wamakshi Verma & Ms. Uma Yadav.**

The 'College Utsav' events were categorized into Fine Arts and Performing Arts. The aim was to engage the students in a creative space that provided a platform to showcase various artistic talents like Nail Art, Mehendi Designing, Rangoli, Bridal Make-up, Tattoo Making and Fruit &

Vegetable Carvings, Pooja Thali Decoration, Best-out of Waste, Singing (Solo & Duet), Dance (Solo & Duet). The event witnessed some fabulous singing performances by the students. The Solo and Duet singing competitions allowed the budding singers to put up an amazing show with their melodious voices and mesmerized all the audiences. The dazzling and enthralling Bollywood dance performances kept the audience engrossed. The mesmerizing performances left the audience completely awestruck.

With music, dance, and a lively ambience, the 'College Utsav' was truly a delight. The fun-filled day concluded with the announcement of the winners. The winners were declared and awarded with E-certificates.

Heena Khan – F.Y.B.Sc. (Degree College) & Aaysha Mansuri – S.Y.J.C. Commerce (Junior college) were declared as the overall winners for participating in maximum number of competitions.

It was an unforgettable experience. UTSAV - a celebration in real terms. While the aspect of physical presence was thoroughly missed this year, the college left no stone unturned in ensuring a remarkable and memorable experience in recreating the live ambience in the virtual set-up. A lot of hard work was added in to make it possible. It was a combined effort of the management, teaching and non-teaching staff and all students for putting up a great show. It was heartening to see the students embracing the new normal so gracefully.

with each other knowing each other's feelings... Our anger... Our laugh... Our sadness... Almost everything together... Still we didn't give up on our friendship... People's says friendship fades when we are apart... But see we hardly meet each other and our friendship is still that strong...

I can still imagine all those memories with the funny videos that I used to make all the time of you both...

👉 I miss you my roomies can't wait to meet you girls and make vlogs 📹

Our friendship is never ending because we are more than friends we are like sisters as we stayed together for 6 months or more I guess 🥰🥰

Happy Friendship day once again 🥰
