RAINWATER HARVESTING SYSTEM COMPLETION CERTIFICATE

Date: 06.06.2018

To,
Ghanshyamdas Jalan College of Science, Commerce & Arts,
Malad (East), Mumbai – 400 097.

Sub: Completion Certificate of Rainwater Harvesting Scheme for Ghanshyamdas Jalan College of Science, Commerce & Arts, Malad (East), Mumbai.

Dear Sir/ Madam,

I hereby certify that the scheme of Rainwater Harvesting for existing part of College Building Wing – A on the plot bearing CTS no. 97 A-5/4 of Village Chincholi Upper Govind Nagar Malad (East), Mumbai – 400 097 was developed by M/s. Akhil Bharat Varshiya Marwari Agrawal Jatiya Kosh, a practical rainwater harvesting scheme was designed due to existing facility and ongoing college activities and has been implemented as per the concept and design submitted by me as rain water harvesting Consultant.

The work was carried out as per government notification under section 37(2) of MR & TP Act 1966 under number TPB-4307/396/CR-24/2007/UD-11, Dated 6th June, 2007. The work was completed by May, 2018. Minor changes in the design were incorporated as per the prevailing site conditions. The work has been implemented under my supervision. The work has been completed to the Best of my satisfaction.

Yours Sincerely,
For Vivaan Water & Enviro Solutions Pvt. Ltd.,

Nirav Saraiya
(Rainwater Harvesting Consultant)
06.06.2018

ACKNOWLEDGEMENTS

NaturalisT Foundation conveys their gratitude and thanks to the management of **Ghanshyamdas Jalan College of Science, Commerce & Arts, Malad (East), Mumbai** for conducting the Environment & Green Audit, which was conducted in **January, 2022**.

National Service Scheme Unit organized

REPUBLIC DAY

(26th January, 2018)

On 26th January, 2018, National Service Scheme of our College has participated in an activity on "Cleanliness drive at SGNP". In all 27 NSS Volunteers and 10 Non- NSS Volunteers have participated in this event.

The volunteers were instructed to reach college by 8:30 a.m. They hoisted the flag and sang National Anthem. At 9:30 a.m. they left the college to reach SGNP (Sanjay Gandhi National Park), Borivali. This activity was a part of SWATCH BHARAT ABHIYAN. They started picking plastic bags and waste non-degradable material from the ground. The National Park was very packed because of holiday. The activity ended at 2:00 p.m. The passionate involvement of volunteers made the event successful. This activity was photographed by programme officer as a record.

Report on green Bappa seminar

Our college organized a workshop on green Bappa (Documentary film), 6th Jan Mr. Mithun Udyawar from Ophiuchus film, and he spread awareness about green environment. This film was shown to nearly 150 student of our degree college.

That film was made to spread information about how does people celebrate the Ganpati festival? What kind of pollution problems we people faced during such festivals and how would we have to take care of our environment by just changing our method of celebration? All students were impressed by that documentary. Teachers shared their experiences with students for the same.

The film had a Positive impact on students.

REPORT ON TREE PLANTATION DRIVE

1ST August, 2017

The NSS unit of Ghanshyamdas Jalan college of Science, Commerce and Arts had organized Tree Plantation Drive on the occasion of Van Mahotsav in Palghar. The drive was conducted to create awareness on importance of tree plantation in our environment and to help nature and mother earth to get its natural beauty and components back.

The volunteers planted various types of plants. Our volunteers show great enthusiasm in the plantation drive. The Tree Plantation drive was aimed at combating many environmental issues like deforestation, erosion of soil, global warming and hence enhancing the beauty and balance of the environment.

National Service Scheme Unit organized

CLEANLINESS DRIVE

(19th and 20th August 2017)

The National Service Scheme Unit of Ghanshyamdas Jalan Degree College of Science, Commerce & Arts, Malad had organised a Cleanliness drive on 19th and 20th August 2017. Mr. Darsh Chitalia Programme Officer (PO) of NSS, 50 NSS volunteers participated in this event.

Swachh Bharat Mission was launched by Hon'ble Prime Minister of India on 2nd October 2014. Swachhta Pakhwada is a fortnight initiative to be carried out under NSS. The main aim is to promote cleanliness. Under this few activities and events were incorporated such as Swachhta shapath, Cleanliness drives, Awareness programme etc. All the NSS volunteers were divided into 2 classes. They were about to perform activities on 2 different dates. On 19th August 2017, First and Second year of Science volunteers were allotted to clean the Laboratories while On 20th August 2017, Third year Commerce volunteers were cleaning classroom and ground. First and Second year of Science volunteers cleaned all the laboratories for e.g. Physical Chemistry, Biology, and Chemistry. They cleaned Chemical bottles, labelled and alphabetically arranged them in the shelf. Next day, Third year Commerce volunteers cleaned 6 classroom and ground floor by Sweeping beaches, Board and Floor. All the activities were supervised by Programme Officer (PO) of NSS and photographs were taken for record.

Earth is dying

The world is experiencing much damage which causes to great changes. I believe, that it is because of the rude and abusive deeds of its settlers, and these settlers are no other than us, "HUMANS"... It is hard to admit but it is the reality that we, are the main causes of these alarming, frightening and devastating state that our Mother Earth is encountering.

According to the Bible book of Genesis 1:1 says that "In the beginning God created the heaven and the earth and He made people in this world. So, the earth is made for the people to live with. People are made to protect and be concerned the creation of God. Is this really happen today? How about you? Are you taking care of this creation? or making other one? It is considered that human-beings possessed the principal responsibility to shield and sustain the God-given beauty of His creation but still, most of the people didn't adapt and realize their important obligation, instead, they are violating and damaging this duty by taking-away the treasures of Mother Earth due to their selfishness and greediness for "power", "fame", "authority" and especially, "wealth".

Just like as the illegal loggers non stop cutting trees that made the situation worst, illegal fishersthatsome of them are using dynamites in catching fish, miners and the factories that accumulate of harmful substance on the ground, and water causes pollution.

People wasting their efforts in doing illegals, destructing God's creation. We didn't mind it that all of these creations in this world are valuable and important matter to live It is true that the world's

resources are more than enough to meet our needs but so insufficient to satisfy our self-centered ambitions and desires.

Report

The “Rotaract Club of Jalan College” in collaboration with “The Rotary Club of Bombay Kandivli” has successfully conducted the “Grocery Donation Drive” to the underprivileged school children who are studying in tribal school in Manor Village at Palghar District on Friday, 25th February 2022.

Our Rotaractors distributed nutritious grocery items to the underprivileged children in **Zilha Parishad School of Patilpada in Manor Village of Palghar District** so that they may get the sufficient nutrients which are required for their healthy growth.

We also encouraged the school children to practice the good personal hygiene at home and in the school premises.

We convey our wholehearted thanks to the entire team of Rotaract Club of Jalan College for their kind cooperation in organizing and making this drive successful.

Report

“Rotaract Club of Jalan College” in collaboration with **“The Rotary Club of Bombay Kandivli”** has successfully conducted the **“Blanket Donation Drive”** to the underprivileged people at Chahade and Manor Village at **Palghar District** on **Friday, 28th January 2023**.

Rotaractors distributed warm woollen blankets to needy people in Chahade and Manor villages in the Palghar district so that they may be able to protect themselves from cold on winter nights. For getting relief from the cold, more than 20 selected helpless and poor people got blankets in tribal village of Palghar District.

We also visited the Municipal School of Tribal Community, in Manor Village to cheer the students.

We convey our wholehearted thanks to Dr. Rajeshwari Ravi, Director, of Ghanshyamdas Jalan College of Science, Commerce, and Arts, and the entire team of Rotaract Club of Jalan College for their kind cooperation in organizing this drive.

Swachh Bharat Abhiyan

Swachh Bharat Abhiyan is one of the most significant and popular missions to have taken place in India. Swachh Bharat Abhiyan translates to Clean India Mission. This drive was formulated to cover all the cities and towns of India to make them clean. This campaign was administered by the Indian government and was introduced by Prime Minister, Narendra Modi. It was launched on 2nd October in order to honor Mahatma Gandhi's vision of a Clean India. Moreover, the Indian government intends to offer all the citizens with hand pumps, proper drainage system, bathing facility and more. This will promote cleanliness amongst citizens.

Similarly, they also wanted to make people aware of health and education through awareness programs. After that, a major objective was to teach citizens to dispose of waste mindfully.

Why India ~~is~~ needs Swachh Bharat Abhiyan? India is in dire needs of a cleanliness drive like Swachh Bharat Abhiyan to eradicate dirtiness. It is important for

The overall development of citizens in terms of health and well-being. As the majority of the population of India lives in rural areas, it is a big problem.

Generally, in these areas, people do not have proper toilet facilities. They go out in the fields or roads to excrete. This practice creates a lot of hygiene problems for citizens. Therefore, this Clean India mission can be of great help enhancing the living conditions of these people.

In other words, Swachh Bharat Abhiyan will help in proper waste management as well. When we will dispose of waste properly and recycle waste, it will develop the country. As its main focus is on one rural area, the quality of life of the rural citizens will be enhanced through it.

In short, Swachh Bharat Abhiyan is a great start to make India cleaner and greener. If all the citizens come together and participate in this drive, India will soon flourish. Moreover, when the hygienic conditions of India will improve, all of us will benefit equally. India will have more tourists visiting it every year and will create happy and clean environment for the citizens.
